INDUSTRIAL AUTOMATION

CNTD ELECTRIC TECHNOLOGY CO., LTD.

SIMPLIFIED PRODUCT CATALOG 2024

CNTD Introduction

CNTD Electric Technology Co., Ltd., located at Yueqing Economic development zone, Zhejiang, China, has been specializing in industrial automation used switches since 2000, and is now an exemplary enterprise in our industry. As a leading industrial automation switch manufacturer and partner of many world top 500 companies, CNTD has been devoting to serving customers with both professional switch and sensor solutions.

CNTD Electric Technology Co., Ltd. has excellent development team and perfect R&D equipment. With innovation and perfection as the cornerstone, and advanced design concepts and methods, we can present our customers with a variety of high-reliability and cost-effective Limit switches, Microswitches, Proximity Switches, Photoelectric Switches, Safety Switches, Push-button Switches, Warning Lights, Relays, Instrument Foot Switches, Toggle switches, Wiring Terminals and other series of products.

CNTD's products now have certifications including China Compulsory Certification and CE certificates by TÜV Rheinland. Due to our continuing exploration in technology, we have strong ability to customize products for harsher using environment and outfit corresponding ROHS, RECAH, UL or any other required certificates. Satisfying customers' needs utilizing our technical strength has always been our persistent pursuit.

As a reliable supplier of our customers, CNTD has quite strict control on quality and efficiency. CNTD has established a traceable management system from product designing, material purchasing, workblank producing, accessories processing, product assembling to finished product delivery. Professional quality control team supervises all the quality details from R&D, production to outbound. PMC team oversees supply chain management by thorough planning on purchasing, warehousing and dispatching. Industrial team is acting as the backbone of high production efficiency and stability by updating production equipment and lines. Strict control over quality cost, constant supply chain improvements and high production efficiency are always what enabling us to provide cost-efficient switches and sensors.

Excellent Service is a value adding for our high-quality products. We now have specialized teams serving Chinese customers, foreign customers and large projects customers, all supported by our experienced field service engineers. No matter which country our customers are coming from and what industry our customers are in, we can always response timely with our thoughtful service. For this reason, CNTD has now become a strong partner for more and more customers.

Ingenuity designs, Perfectionism makes. CNTD Electric Technology Co., Ltd.

CNTD INDUSTRIAL CONTROL MAKES INDUSTRY INTELLIGENT

R&D / Manufacture

R&D

CNTD only focus on industrial automation. For R&D, we have a professional team to make our product both crystallization of science and work of art.

MANUFACTURE

To present our designs and solutions to our customer, winning a good reputation, we have organized a professional production team supported by advanced manufacturing and testing equipment.

QUALITY CONTROL

Good quality is always based on strict quality control. No tolerance on quality problem is our principle to keep CNTD's brand image. For this, we have set a series of rigorous tests. We believe "0.0% failure rate" is our duty both to our customer and ourselves.

SUPPORT

To ensure the trouble-free using of our product, our professional customer-service teams are always ready to communicate with our customer and provide any kind of support. To solve our customers' problem is our eternal pursuit.

CDA6 Current monitoring

Model
CDA6-516

CDA6 Current monitoring

CDB6 Light Relay / CDE6 Temperature and Humidity Control Relay

Model
CDB6-1116

CDB6 Illuminance detection

Model
CDE6-110M

CDE6 Temperature and Humidity Control

CDV6 Voltage Monitoring Relay / CDL6 Level Relay

Model	Model

CDV6-1/2 Single-phase voltage monitoring

Model	Model
CDV6-316P	CDV6-616P
CDV6-416P	CDV6-716P
CDV6-516P	CDV6-816P

CDV6-3~8 Three-phase voltage monitoring

Model	Model
CDV6-3D8P	CDV6-6D8P
CDV6-4D8P	CDV6-7D8P
CDV6-5D8P	CDV6-8D8P

CDV6-□D8□ Three-phase voltage monitoring relay (2 sets of outputs)

Model
CDL6-1116

CDL6 Liquid level detection

CDM6 Impulse Relay / CDW6 Temperature Relay

Model	Model
CDM6-1116M	CDM6-2116M
CDM6-1110M	CDM6-2110M
CDM6-1116W	CDM6-2116W
CDM6-1110W	CDM6-2110W

CDM6 Impulse relay

Model
CDW6-1116
CDW6-2116

CDW6 Temperature relay

CDR6 Auxiliary Relay

Model	Model
CDR6-1116M	CDR6-2216M
CDR6-1110M	CDR6-2210M

CDR6 Auxiliary relay
